

Our Vision

The Houston GLBT Political Caucus has a vision for the future of Houston. During the 2008 campaign, our community will endorse and work tirelessly for candidates who will enable our county, state and federal government to realize the goals stated below. Equality and justice cannot come too soon.

- We aim to cultivate a place that offers GLBT people liberty, equality, and respect. To that end, we will continue working to elect courageous school and government officials that are devoted to progressing GLBT equality.
- We will work to elect candidates that will renounce discrimination in GLBT employment.
- We will work to elect candidates that will provide everyone in the GLBT community with equal access to housing and public accommodations.
- We will work to elect school officials that are committed to providing GLBT students with a safe, welcoming learning environment, without discriminatory curricula.

Mission Statement

The Houston GLBT Political Caucus is dedicated to eliminating prejudice, violence, and injustice against gay, lesbian, bisexual, and transgender people through education activism, and political advocacy.

Endorsements

The Caucus' primary role is to screen and endorse local, state and federal candidates. Members participate in screening of candidates as well as vote in endorsement meetings. The Caucus endorsement card is a voting tool highly sought after by many GLBT and progressive voters.
